

THERMOGRAPHY UNLIMITED, LLC

1-877-326-9508

thermographyunlimited@gmail.com

THERMOGRAPHY UNLIMITED, LLC provides complete thermography services through our highly trained staff of professionals.

Linda Hayes, CCT and Ben Johnson, MD, DO, NMD , co-owners of THERMOGRAPHY UNLIMITED, LLC have extensive experience and knowledge in the field of thermal imaging. As a published author of *The Secret of Health: Breast Wisdom*, Dr. Johnson understands the significance of a woman choosing thermography over mammography and thus contributes a chapter of his book to the subject of thermography. Linda Hayes, CCT and Ben Johnson, MD, DO, NMD have completed rigorous thermography training and have provided thermography screening for some thousands of clients. Together with their knowledge and expertise in thermal imaging, they are able to provide state of the art Digital Infrared Thermal Imaging services to both physicians and companies worldwide.

THERMOGRAPHY UNLIMITED, LLC is pleased to offer competitive quotes for your thermography business or any portion of it. We are certain that we can earn the privilege of being your provider of not only state-of-the art thermography equipment but also quality training in thermal equipment technology as well as provide reading services.
