

THERMAL IMAGING CENTERS

Physician Referral Service

WHAT CAN WE DO FOR YOU

- Our goal is to build your practice and income stream through the use of Thermography
- There is no cost to you for our mobile service
- **FIRST:** we give you a 15 minute power point presentation on what thermography is, how it works & how it will benefit your patients.
- **NEXT:** OUR TIME TESTED BUSINESS in a box will.....
- Show you how our company can bring new clients to your office
- Show you how to generate a renewed income using your old client's data base and thermography to reintroduce them back to your clinic.
- Show you how to use thermography on a daily basis for instant client care.
- Show you how to increase patient care through supplemental disease control which could double your current supplement sales volume
- Generate multiple streams of income

ALL THAT IS REQUIRED

- One 7' X 10' room or larger ½ day or one full day a week, of your choice
- We do not require any further use of your space
- Your receptionist be willing to take phone calls and schedule appointments
- Your desire to learn how thermography can benefit your patients & patient care
- Nothing else is required of you or your staff.

HOW IT WORKS

A patient will ask about thermography the appointment is set by one of your office personnel. We do the rest. Then at the end of each week we send you a check. YES it is that simple. We literally do it all, except treat your patients.
